THE PREMISE OF THIS EVENT IS SIMPLE...

INFORM

The Canadian Snowbird Association has been actively defending the rights and privileges of Canadian winter travellers for more than 20 years.

Continued advocacy in the halls of government in Canada and the United States is of paramount importance to ensure that we continue to enjoy the benefits which we have worked so hard to achieve.

So come out to this unique event and meet CSA President **Bob Slack** and your local CSA representative; learn about the ongoing challenges we face together as snowbirds and the initiatives that the CSA has in place to protect our lifestyle in the sun.

INTERACT

At every CSA Winter Information Meeting the tables turn and the microphones are handed to the audience for the opportunity to pose their own queries, comments and concerns to the association's directors. This is the most effective method the association has ever utilized to gain an understanding of the membership's dreams, desires and areas of interest which require attention.

If you have an idea, an issue or even kudos for the CSA board, join us for the opportunity to let your voice be heard.

ENTERTAIN

We believe that every time the membership of the association congregates it should be a celebration of our lifestyle as winter sunbelt residents. That's why we consistently seek out fresh entertainment each year to keep our guests enthusiastic about their lifestyle and our collective cause.

This year we are pleased to bring you two of our favourite Snowbird acts, Canadian country superstar **Michelle Wright** and Canada's Ambassador of Good Cheer, **Jimmy Flynn!**
